

**Attention All Ladies, Who want to part take
There's A Brunch being planned
That we don't have to make!
August 12, at 11:30 is the date,
So come one, and come all, and try not to be late!
Our hosts are at Baker's Kitchen, the finest breakfast cuisine
With mimosas on hand and lots of caffeine!
Bring a friend or a neighbor, but we need a head count
By August the 8th so no one's left out.
Get the names in to Maggie Bramwell, as she is holding the seats
For the day filled with fun and all special treats!**
